

HEARTBREAKING STORY OF CHILD TRANSITION

FOR ADULT FORMATION GROUPS & HIGH SCHOOL CLASS DISCUSSIONS

Watch "Heartbreaking Story of Child Transition" to learn the answers!

1. Why are stories like Sarah's rarely shared or discussed in the media?
2. How are parents of children suffering from gender dysphoria left unempowered and ill informed about the side effects of these blockers and procedures? How does this hinder them from protecting their child?
3. How can we protect young people from falling into a multi-billion dollar industry that doesn't inform or care about their wellbeing?
