

EDIFY EPISODE: 3 SINISTER PUBLIC HEALTH MISTAKES

PRESENTED BY DR. AARON KHERIATY

FOR ADULT FORMATION GROUPS

For Understanding

Watch Dr. Aaron Kheriaty's "3 Sinister Public Health Mistakes" to learn the answers!

1. What are the three big COVID-19 response mistakes Dr. Kheriaty outlines? What was the most significant?
2. How did lockdowns impact blue collar workers?
3. How were vaccine mandates enforced?
4. How did control of information by the media and CDC affect the general population during the pandemic?

To Go Deeper

Draw from your own experience or invite a local expert in to help you think more deeply about this video and how it can inspire you to live out the faith in the public square!

1. What effects did you experience from the lockdown policies in your state and community?
2. When the vaccines were made available, what messages did you receive about the vaccines from your news sources, your local leaders, or your family?
3. What have the effects of widespread fear been in your local community?

EDIFY EPISODE: 3 SINISTER PUBLIC HEALTH MISTAKES

FOR HIGH SCHOOL CLASS DISCUSSIONS

For Understanding

Watch Dr. Aaron Kheriaty's "3 Sinister Public Health Mistakes" to learn the answers!

1. What are the three big COVID-19 response mistakes Dr. Kheriaty outlines?
2. How did lockdowns impact blue-collar workers?
3. How were vaccine mandates enforced?
4. How did control of information by the media and CDC affect the general population during the pandemic?

To Go Deeper

Assign these questions to students for pre-research for follow-up assignments to the video.

1. How did the lockdowns affect your own school situation or your parents' work?
2. When the vaccines were made available, what messages did you receive about the vaccines from your news sources, your teachers, or your family?
3. Do you think young people are more afraid now, after the pandemic? If yes, what does your generation fear? What are you told to fear?
